

COMMUNIQUÉ: UPDATE ON ALLOCATION OF MEDICAL INTERNSHIP POSITIONS FOR 2018

Background

SA Health remains committed to meeting the 2006 Council of Australian Governments (COAG) agreement to guarantee all South Australian Commonwealth-supported medical graduates an intern position. We acknowledge that for the 2018 intern year this means providing positions to an unprecedented number of graduates.

The South Australian Medical Education and Training Unit, in partnership with the Executive Directors of Medical Services of each Local Health Network, is monitoring the allocation process and will act in response appropriately.

Will I receive an offer for internship?

Yes, if you are a Commonwealth-supported South Australian medical graduate and have applied for a 2018 internship you will receive an offer for a 2018 position from SA Health.

When will I receive my offer?

All South Australian Commonwealth-supported medical graduates who applied for a 2018 internship will receive an offer by the end of November 2017. The South Australian Medical Education and Training Unit will continue to send out offers as positions become available due to declines or if there is a withdrawal from an accepted position.

What Local Health Network will I be placed at?

Offers for internship may be made for any of the four Local Health Networks, Central Adelaide, Southern Adelaide, Northern Adelaide and Country Health.

How will I be notified of an internship offer?

All applicants will receive an email and SMS (if applicable) when a formal offer is made. Intern allocation is an ongoing process.

I have more questions, who do I contact?

If you have questions please email healthsamet@sa.gov.au or phone 8226 7231
