Overview: about the agency

Our strategic focus

<p>Our Purpose</p>	<p>The Advisory Council works towards improving the quality of education, training and welfare for trainee medical officers and undertaking the accreditation and monitoring of postgraduate training posts in South Australia.</p> <p>The structure of the Advisory Council gives it integrating operational and advisory responsibilities for postgraduate medical training. It also provides the ability for the Advisory Council to represent all phases of postgraduate medical education including intern and subsequent prevocational and vocational training. The Advisory Council structure enables rapid and effective integration of on-going developments in education and training, at both local and national levels. In addition, the structure supports a range of objectives and targets from South Australia's Strategic Plan by moving South Australia's health reform agenda forward and being proactive about health workforce needs.</p>
<p>Our Vision</p>	<p>N/A</p>
<p>Our Values</p>	<p>N/A</p>
<p>Our functions, objectives and deliverables</p>	<ul style="list-style-type: none"> • Provide leadership in postgraduate medical education and training in the state; • Provide expert advice to the Minister, the Chief Executive and the Department on matters relating to postgraduate medical education and training, accreditation of medical training and issues surrounding the education and employment of international medical graduates; • Identify, evaluate, monitor and promote medical education and training programs for Trainee Medical Officers (TMOs) and their supervisors, in conjunction with key stakeholders; • Work with vocational training Colleges to achieve high quality vocational training; • Promote and actively encourage innovation in postgraduate medical training; • Undertake the accreditation and monitoring of TMO positions using national and jurisdictional standards with a focus on;

	<ul style="list-style-type: none">○ accreditation and monitoring of positions for prevocational TMOs;○ developing training standards and accreditation processes for prevocational TMOs; and○ providing collaborative assistance to specialty training colleges in relation to the accreditation of vocational training positions;• Provide advice to the Department, after consulting with stakeholders, on the suitability of TMO positions in the State;• Notify the SA Board of the Medical Board of Australia of the Advisory Council's recommendations in relation to accreditation of postgraduate year 1 training positions;• Develop linkages and agreements with accreditation agencies and education providers to:<ul style="list-style-type: none">○ promote of continuum of learning○ foster sharing of expertise and information; and○ minimise any duplication of workload on health services that is associated with multiple accreditation agencies and processes;• Establish, maintain and promote partnerships with relevant national and jurisdictional organisations;• Contribute to a national core competency set for prevocational training and undertake research in relation to education and training pathways, assessment and the needs of international graduates; and <p>Receive feedback from TMOs about relevant safety and quality matters and advocate to health services about postgraduate training, health and welfare issues.</p>
--	--

Our organisational structure

The Advisory Council has the following five committees and one subcommittee to assist with its roles and function:

- Accreditation Committee
- Education Committee
- Doctors in Training Committee
- Directors of Clinical Training Committee

- Professional Medical Colleges Committee
- Medical Education Officers Subcommittee
