

2020 Accreditation Team Evaluation Survey

Accreditation teams were appointed to undertake accreditation visits for WCHN and DASSA. The SA MET Unit asked all team members to evaluate the accreditation process for continuous improvement.

Evaluation Results

100% felt SA MET staff provided timely, appropriate support and advice throughout the accreditation process

Accreditation Visit Day

100% felt the accreditation visit schedule gave the accreditation team adequate opportunity to interview staff on the strengths of the education, training and support provided to prevocational trainees

Input of Team Members

100% felt their opinions were heard as part of the process

COMMENTS:

DASSA was a smooth process.

Well done team, you made being involved very easy and enjoyable.
I would do it again!

Colleen and Vicki had done a vast amount of work to streamline the entire process and should be commended for the way they facilitated the accreditation process, visit and reporting.
Their degree of organisation and forethought is formidable.

FEEDBACK:

a longer initial meeting would have been beneficial to me as I had not familiarised myself well with the past report or accreditation standards, but overall the process was run incredibly well.

2020 Survey Results from DCTs & MEOs across the LHNs

The survey investigated the quality and timeliness of service the Education and Accreditation team provided to the Local Health Networks in 2020, with respect to advice and support provided throughout the year on various accreditation functions, and the extent of support provided before, during and after accreditation visits.

The survey also allowed opportunity for suggestions.

Accreditation Visit Process

100% of respondents agreed the workload and associated time commitment required was acceptable.

Easiest Accreditation Function?

Completing new unit and change of circumstance accreditation applications.

Most Difficult Accreditation Function?

Developing / updating term descriptions.

General Accreditation Process

60% of respondents found the ease of the general accreditation process moderate, whilst 40% found it easy.

Individual Comments:

Fantastic Team

Thank you to the SA MET staff you assisted us in organising the accreditation visit and assisting with proviso questions and queries.

Always feel well supported with timely advice when requested. Thanks to the team.

Your communication has been excellent. Thank you.

Suggestions from LHNs?

An opportunity to say what we do well would have been a good thing.
