

# VIRTUAL SIMULATED EDUCATION AND TRAINING COMMUNITY OF PRACTICE

Join the Virtual Simulated Education and Training Community of Practice (VCOP). The VCOP is a supportive and active professional community who are passionate about and skilled in simulated education and training. The VCOP has been initiated out of a collective need to increase collaboration for simulated education in healthcare. The community has members from SA Health, SA Universities, Commission on Excellence and Innovation in Healthcare, amongst many others.

Join by Microsoft Teams. Click on Join or create a team and enter code: **526fxud**.

You will then have access to the sharepoint site:
