About Mount Gambier Adult Internal Medicine Advanced Skills

Introduction

We invite you to become part of a collegiate, committed, multidisciplinary medical team, consisting of two teams of consultants and junior doctors, as well as Allied Health, and wonderful ward staff.

This is a full-time position, and fulfils the requirements for both RACGP FRACGP-RG and ACRRM AST positions. The position involves providing medical inpatient and outpatient services to the General Medical Ward at Mount Gambier & Districts Health Service (MGDHS). It will involve some out of hours and on-call work, supervised by a Consultant Physician.

This rotation is available to candidates who are Postgraduate year 3 and above and enrolled in Rural Generalist Training with either ACRRM or RACGP.

- > Country Health Connect (Community Allied Health Services)
- > South Australian Dental Services
- > South East Mental Health Services – in-patient, intermediate care, and community-based care.
- > Rehabilitation Service
- > Aboriginal Health Services – Pangula Mannamurna Aboriginal Corporation (not co-sited but located nearby).

What you can expect from LCLHN

Provide a short overview of the role, what should employees expect?

The position involves providing medical inpatient services to the General Medical Ward at Mount Gambier Hospital. Outpatient services are also provided through the hospital consulting rooms. The role will involve some out of hours work and on-call work, supervised by a consultant.

Will I be based at Mount Gambier all year? Will I be expected to travel to other country locations?

You will be based in Mount Gambier for the full year.

What are the key outcomes of the program?

The aim of this program is to provide trainees with sufficient clinical experience in a supported environment to meet the requirements of: The Royal Australian College of General Practitioners (RACGP), Fellowship in

Advanced Rural General Practice (FRACGP-RG) or Australian College of Rural & Remote Medicine Advanced Specialised Training (ACRRMAST).

What are the hours of work and overtime?

This position requires a commitment of 76 hours per fortnight. Participation in the out of hours on-call roster is required. You will have a Consultant Physician second on-call to you at all times.

What education is provided?

The unit has a strong learning focus with frequent ad-hoc tutorials as well as more formal training including monthly Medical Grand Rounds.

Indicate how the supervision will be provided, will this vary from rotation to rotation?

The trainee will be part of a designated team on the Medical Ward (currently there are three teams). Each of these teams are headed up by a nominated Consultant Physician, who will provide supervision to the trainee.

What other support is provided?

The Medical Education Unit have an open-door policy where trainees are welcome to discuss any issues or concerns.

Will the TMO supervise interns/others in their role?

They will work on a team including Registrars, Resident Medical Officers, interns and PGY2s. Consultant Physician will provide the overall supervision.

What pathways are there after the year is completed?

Trainees are encouraged to view this position as a step in their pathway to providing rural generalist services to a community in rural South Australia. This position can articulate with:

- > Other local training positions including AST in Emergency Medicine or General Practice, a DRANZCOG position, and a JCAA position.

Rotations at LCLHN

This position is based in the General Medical Ward at Mount Gambier Hospital for the full calendar year. It is not expected that other rotations will be allocated during this period.

Selection into Mount Gambier Adult Internal Medicine Advanced Skills

About the selection panel

The selection panel for this position usually includes the General Medicine Head of Unit or their nominated specialist consultant, a member of the hospital administration team, and a member of staff from the TMO unit. A member of the relevant training provider may also be present.

Eligibility

Candidates currently PGY3 and above who are enrolled in Rural Generalist or GP Training with either ACRRM or RACGP are eligible to apply for this role. Candidates must have Australian Working Rights to be eligible to apply. Candidates must be available to work commencing on 5 February 2024.

Skills and knowledge required for the role

Prerequisite internal medicine knowledge at PGY3 level is assumed.

Selection Process

Our approach to selection

At a minimum the selection process will involve assessing your:

- > Curriculum Vitae.
- > Answers to Expression of Interest short answer questions.
- > Referee reports.
- > Appropriate completion and submission of required documentation.
- > An interview.

All Expressions of Interest will be scored/ranked for shortlisting. Eligible applicants will be shortlisted for interview. Shortlisted applicants will be invited to a face-to-face or video conference interview, and in some circumstances, this can be conducted via teleconference.

SA Health will match the highest ranked candidate to this position.

Your Expression of Interest

Your Expression of Interest must include:

- > An Expression of Interest addressing the selection criteria (see below).
- > A Curriculum Vitae.
- > Contact details from two referees in Australia who have worked with you in a clinical setting.

Curriculum Vitae

Curriculum Vitae should include:

- > Contact details including email and mobile phone number.
- > Qualifications and academic achievements.
- > Clinical achievements:
 - All jobs / clinical placements since completing medical school.
 - Any rural clinical experiences since commencing medical school.
- > Personal Development.
- > Activities which demonstrate your interest in and commitment to rural practice.

Cover letter

Not required.

Other Expression of Interest questions

You will be required to answer the following question in the Expression of Interest form:

- > *In no more than 500 words, describe your experience relevant to and interest in rural generalist practice.*

Interview

Applicants who are shortlisted for an interview will be notified by mobile phone and/or email.

The intention of the interview is to ensure that the applicant selected is the best fit for the role. The interview is likely to include an invitation to describe previous experiences and some scenario-based questions with the aim to evaluate candidates against selection criteria which include:

- > *Demonstrated ability to thrive in the rural context.*
- > *Highly effective communication and collaboration skills in the clinical setting.*

Frequently Asked Questions

I am unsure about moving to the country. Can I visit to look at the facilities prior to finalising my preferences?

We would encourage you to visit our beautiful city and enjoy the rural hospitality. Please let us know if you are planning a visit so that we can facilitate this, for example, with a tour of the hospital and Flinders University Rural Health SA, and point you in the direction of the sights, good food and entertainment.

Mount Gambier is the second most populated city in South Australia. It is located 17 kms from the Victorian border and lies approximately halfway between both Adelaide and Melbourne making metropolitan adventures easily accessible.

Striking the ideal balance between the vibrant lifestyle of the big city and comforts of a small town. In the heart of the Limestone Coast surrounded by signature wine region boasting social experiences including cellar door, picnics, tours and multiple food and wine festivals throughout the year.

Mount Gambier is the perfect base for exploration of the unique landscape and the natural beauty of our region– be it our iconic blue lake, our many caves, sinkholes, parks and beaches. Mount Gambier offers opportunity for diverse recreational activities including diving, fishing and water sports. For the elite or casual sporting enthusiast Mount Gambier also offers a strong team sport and athletic culture.

Will accommodation be provided?

You will need to arrange your own accommodation. Real estate agents can assist you with this. You will find rentals very affordable compared with the metropolitan area. The median price is \$300-400 per week.

Will I be supported with relocation expenses?

We appreciate that moving house can put a strain on your finances, particularly prior to starting your new job. Please contact us to discuss the relocation support which may be available and the documentation you will be required to provide.

Will I need my own transport?

It is easy to get around Mount Gambier as most locations are only 3-8 minutes away by car, 10-15 minutes by bicycle. There is a limited public transport system (bus) which runs primarily between 9.00 am and 5.00 pm. Private transport is recommended to allow you to explore our beautiful region.

Do I need to arrange for a carpark?

The good news is that parking in all of Mount Gambier is free of charge. There is a secure staff car park on the Hospital site.

Can I get decent coffee and food in Mount Gambier?

Mount Gambier has a wide range of cuisines and fantastic coffee on offer. There are also several farmers and craft markets operating regularly throughout the South East along with the premium wine region of the Coonawarra to explore.

The hospital has a café on site with variety of great food and coffee options– the ideal place to network.

Can I get my cultural fix of theatre, music and cinema?

Absolutely!

No matter what your interests, the Limestone Coast has you covered. There are a range of food and wine festivals in our wine regions, the Fringe and the various art/music festivals, street parties, market days, surfing competitions and various cycling and golf events. Not to mention Mount Gambier is also the home of the Generations in Jazz.

Sir Robert Helpmann Theatre is a fully equipped multi-purpose arts centre in the heart of Mount Gambier, accommodating a range of theatre, conferences, performing arts, film screening, seminars, music events. While the Riddoch Art Gallery is the largest SA Regional Gallery.

The benefits of being approximately halfway between both Adelaide and Melbourne making metropolitan adventures easily accessible.
